### **Bikes for Sale**

We always have several NSU Quickly's for sale, some restored, partially restored or others that will need restoring (some minor works others major), please contact us for details and photos, we can get these delivered for approximately £100 anywhere in the UK.

**Thousands of refurbished and used parts in stock including fully refurbished tanks in primer.**

Mudguards, Twin Saddles, Wheels, and Hubs.

## REBUILDING AND RESTORATION SERVICE

We offer a full restoration/rebuilding service for your NSU Quickly, engine, carburettor, magneto, and hubs, additionally we can respoke and true your wheels, clean vapour blast or bead blast your parts.

Please contact us regarding a full restoration of your Quickly.

Rebuilding is undertaken in a dedicated and fully equipped workshop by experienced engineers. The non-exchange deposit charged for each rebuild will be refunded on receipt of your rebuildable unit.

### **Engine rebuild:**

The engine will be completely stripped, and all components inspected for wear and damage and replaced as necessary. Included in the rebuild is the replacement of all bearings, oil seals, shims, piston rings and gaskets.

Other items requiring replacement will be charged in accordance with our current price list. Castings are vapor/shot blasted to bare metal and ultrasonically cleaned.

The reassembled engine and gearbox are run on our test rig using our carburettor and magneto to ensure the performance of the rebuilt engine meets our high standards.

A final inspection report is prepared and issued with each rebuilt engine.

We can rebuild your engine or offer you an exchange unit (full or short).

Unless you request a rebuild of your carburettor and magneto, we will only test run your rebuilt engine using our proven units.

We can also offer "off-the-shelf" Short Motors which include a fully rebuilt gearbox, crank, and clutch but without piston, cylinder, and cylinder head.

### **Carburettor rebuild:**

Your carburettor will be completely stripped, all parts ultrasonically cleaned. Components will be replaced should any signs of wear or damage be found. Other items requiring replacement will be charged in accordance with our current price list.

The rebuild carburettor will be run with our test engine to ensure satisfactory performance.

**Magneto rebuild:**

Your magneto will be completely stripped, and appropriate parts ultrasonically cleaned. The points and condenser will be changed, and the ignition coil checked.

The output from the lighting coil will also be checked.

Other items requiring replacement will be charged in accordance with our current price list. The reassembled unit will be run with our test engine to ensure satisfactory performance.

**Hub rebuild:**

Your assembly will be completely stripped, and the hub shell shot blasted to remove all corrosion and paint before being primed, undercoated, and finally painted silver and lacquered.

The cups, cones, ball races and seals will always be replaced as would any other component found worn or damaged, charged in accordance with our current price list.

**Wheel rebuild:**

We are able to assemble your newly rebuilt hub into a complete wheel using new rims and spokes. The newly spoked wheel will be trued within normal close tolerances.

Please contact us for further details via [nsuquicklyspares@btinternet.com](mailto:nsuquicklyspares@btinternet.com) or 07714781600

**Saddle Fitting (Denfeld):**

We are now able to offer the fitting of the Denfeld saddle cover R10163803501(which requires a special tool) **See page 27:R34 for full details.**

## Out and About

### International NSU Treffen

We will be attending this year's NSU treffen in Belgium from the 8-11 June, if anyone is interested in attending, please let us know and we can provide further details.

### NSU OWNERS 'GET-TOGETHER & QUICKLY GATHERING'

**What:** "NSU OWNERS 'GET-TOGETHER & QUICKLY GATHERING'"

**Where:** Caldecotte Miniature Railway, Caldecotte Lake, Lakeside Grove, Bletcham Way, Milton Keynes, MK7 8HP

**When:** Sunday September 17th, 2023

**Time:** From 11.00 am

All NSU owners are welcome to the Caldecotte Miniature Railway for this year's "UK Treffen".

Caldecotte Miniature Railway have invited us on to their display field in the centre of their 7 ¼" gauge circular running track. Open to all NSU cars, motorcycles, scooters, Quick 50's, bicycles and of course Quicklys.

On arrival, check with the level crossing keeper for access on to the field.

Ample parking for 'modern cars and trailers. Hotel, food, and toilet facilities nearby. Bring your own seating and **centre stand pads**.

We will have a gazebo for shelter and sale of parts and memorabilia.

If you need any Quickly parts, please order in advance, you will be able to collect them on the day. [www.nsuquicklyspares.co.uk](http://www.nsuquicklyspares.co.uk)

☎07714 781600 **LOOK OUT FOR THE NSU BANNER BY THE ENTRANCE**

Please note, there is no registration or fee, just turn up and enjoy, although the railway will welcome any donations.

### Important Warning.

This is a working passenger railway train system, be aware of moving trains and follow any instruction given by recognised railway staff **Moving trains always have priority**

Contact before and on the day – Sue at NSU Quickly Spares 07714 781600
